CBS Weather Report

Today our 4th graders were featured on the CBS Mobile Weather Lab. After an informative presentation to our 3rd - 5th graders, they were broadcast live at 11:00. Pictures of our students will be rebroadcast on Saturday at 5:00 & 10:00 as well as on Sunday at 7:15 AM.

Golf Outing

Thank you to all of the golfers who participated in our golf outing last Friday. Despite the rain and windy conditions, almost \$9,000 was raised to support both the school and the parish. A special thank you goes to Andy Stanislo and his committee for spearheading this endeavor. We plan to use the money raised to buy new reading textbooks for grades 4 & 5.

thank you to the Lardas McDonalds located on Orchard Road in North Aurora for their very generous donation of several hundred hamburgers for the All School Picnic. This substantial donation allowed the All School Picnic Committee to introduce new activities at the picnic this year.

Also, if you are volunteering for the picnic, please be sure to have all your updated paperwork into Mrs. Baki as soon as possible. You will not be allowed to help the day of the picnic without completing it.

Angelic Attitude Awards

Congratulations to Justin Cebulski, Aiden LeGrand, and Regan Konen for being awarded an Angelic Attitude Award. Justin and Aiden were both nominated by Mrs. Kass because they are "always willing to help other students and they volunteer daily in the classroom." Regan offered to help Mrs. Sadowski carry a heavy load of books to a classroom. Congratulations!
