Rooted in the Gospel of Jesus Christ...

Emergency Forms

Please return your emergency contact forms to the office as soon as possible.

IOWA Testing

Our standardized testing for grades 2-8 began Monday and runs through September 30. We want our students to do well on these tests. We ask that you give them plenty of rest, send in a healthy snack, and refrain from scheduling appointments for this period for during the school day. Thank you so much.

Lunchroom Needs

Our lunchroom is in need of wipes for the table clean up we do everyday. If you can pick up a pack on your next shopping trip, we would be grateful.

Boosterthon

In spite of the torrential downpours, we had an exciting Fun Run yesterday. We made almost \$20,000. Thank you for your generosity! The first collection day will be next Tuesday, September 27.

Grandparents' Day

Tomorrow is Grandparents/Grandfriends Day starting at 8:15 in the church for Mass. Students will be dismissed early and there will be no bus service home.

Seraphim Ball Meeting

The Seraphim Ball Kick Off Meeting will be held this evening at 7:00 PM at the Malatt home, 462 Burr Oak Drive, Oswego. Please join the committee if you wish to help in any capacity. Questions can be directed to amalatt@comcast.net or designsbyyvette@msn.com.

Sporting Events

It is wonderful to see so many students supporting their classmates at our various competitions. However, as a gentle reminder, all students must be accompanied by an adult at all extra-curricular activities. Improper supervision carries potential liability for the school. Thank you for your cooperation.

Restaurant Night

Please join us Taco Madre in North Aurora on Monday from 10:00-9:00. We'll receive 10% back from your participation.

Trivia Night

Our first ever Trivia Night will be on Saturday, September 24 at Bliss Creek Pine Room in Sugar Grove. This event is hosted by the HSA and dinner and drinks will be served.

Chicago Steel Game

On Saturday, October 15, our choir will be singing the National Anthem at the Chicago Steel game in Geneva. Please return your ticket requests to the office.

Volunteering

HSA has a new link set up to easily get to the signup.com site. All available volunteer opportunities will be listed there. Please visit our home page and you will find it half-way down on the right hand side under *Volunteer Sign Up*.

Luigi Nigh

On Thursday, October 6, from 5:00-8:30 Sports Boosters will be hosting dinner and fun at Luigi's. Students can play in the game room or play laser tag. Parents have a free night from cooking! Dinner will be served from 5:30-8:00. There will be silent auction items from all of our sports teams and an assortment of raffle baskets. All proceeds will benefit our sports program. Please plan to join us. Go Thunder!

Principal's Advisory Committee

The Principal's Advisory Committee (PAC) is a group of parents who work with the principal to share ideas and concerns about the many programs of the school. They represent various interest groups within the school community (i.e, HSA, sports, religious, community, teachers, and parents.) While they don't make policy, their recommendations are instrumental in determining the overall direction that the school pursues. This year's

committee consists of Deacon Tim White, Jeff Roberts, Pat Gengler, Bridgette Oester, John Cebulski, Bridget Stanislo, Chuck Hilby, Beth Baker, and Margaret Vagnoni. A huge thank you goes to last year's members who completed their two year term: Andy Konovodoff, Tom Jackson, Mike Mahon, Allie Lagman, Theresa Miller, and Terry Coffman. Their contributions were invaluable! Our first meeting of the school year will be October 8, so please look for the minutes of this meeting on our website.
