

# ECHOES OF ANGELS

Rooted in the Gospel of Jesus Christ...

## Staff Change

On Monday, October 17, Ms. Schindlbeck will be our new STEM Facilitator. She will be replacing Dr. Jackson. We welcome Ms. Jordan Mosquera to our staff as the new fourth grade teacher. Ms. Mosquera is a graduate of Holy Angels. In fact, I distinctly remember her DARE speech back when she was in fifth grade. She is excited to be here again in her new role, and I feel old :)

## High School Info

Listed on our website under *School Information* and then *Parent Information* is a new tab that will list current open house information for our area high schools.

## Luigi Night

Sports Boosters hosted a successful fundraiser last Thursday. Thank you to all of the 150 people who enjoyed the evening and raised money for our sports program. Congratulations to Steven Edwards who won the 50/50 raffle. A huge thank you goes to: Pat Curley, Theresa Bartlett, Deanna Spanu, Michele Eberle, Nicole Coffman, and Carrie Vest for all of their hard work. Their efforts raised \$1400 for our sports program!

animals, and books to be used as prizes for *Family Bingo Night* on Friday, October 28. Collection boxes are in the main lobby and near the entrance to the library. Any questions can be directed to Jenni Aleckson at [aleckmyers@aol.com](mailto:aleckmyers@aol.com).

## Drop Off Service

Thank you to all of the parents who believe in safety for our children as much as we do. Your cooperation in driving slowly forward to the end of our walkway in the back of the building and waiting patiently for all of the children in the line in front of you to exit safely and not driving around other parked cars to speed off to work is to be commended. The fact that you wait until your car is actually on Lakewood before you drop off is much appreciated as is the fact that you don't use the pantry lot for drop off forcing your children to walk through traffic. Also thank you for your efforts to refrain from driving eastbound on Lakeview and dropping your children off to cross in front of the drop off line even when it means that you may be a few minutes slower in the beginning of your day. And to all of those parents who refuse to talk on their cellphones while driving, thank you. May your continued cooperation in following our safety procedures continue to keep all of our children safe!
