

ECHOES OF ANGELS

Rooted in the Gospel of Jesus Christ...

Milk Service

If you ordered milk for your child, delivery will begin on Monday.

Google Passwords

If you are new to our school (grades 3-8) your child will be bringing home their Google passwords for our homework site as well as the sign in information for our online grading system next week. If you do not have this information by next Friday, please contact Mrs. Gurbal (sgurbal@holyanangelsschool.net) Thanks.

Substitute Teachers

We are always looking for reliable substitute teachers. If you or someone you know is interested in being added to our sub list, please contact Mrs. DuVall in the office for the paperwork. You must either be certified to teach in the state of Illinois or hold a valid substitute teaching certificate.

Welcome Back

What a fun day it has been so far! The students seem very happy to be back with their friends and excited for learning. But it won't be long before those school routines become habit and then we'll be wondering where the year went as we're celebrating at the all-school picnic on the last day of school.

Everyone always looks so polished in their new uniforms, and it's always such a big deal when the 5th grade girls can finally dress in a skirt and blouse. As a gentle reminder for uniforms, shoes cannot be canvas. They must be leather or leather-like dress shoes. The only exception is gym shoes. Socks must be free of all

Required Paperwork

If you have not already done so, please send in all the required paperwork if you are planning to volunteer in any capacity in our school.

Please also make sure that we have the emergency contact list to the office. There is nothing worse than a sick child having to wait in the nurse's office while we search for a parent to get here.

If your child has any type of medical condition requiring medication, please be sure that she has the doctor's orders. We cannot administer any medication without this vital piece (even over the counter medications).

8th Grade Sweatshirts

The special 8th grade sweatshirts have finally arrived. We plan to get them out to the students tomorrow.

High School Events

We advertise upcoming events at the area high schools on our website under *School Information*. Be sure to check it out!

logos. Boys need to wear belts. Fit bits may be worn as a watch. No Apple watches are allowed. Hair must be a child's God-given color.

Thank you for your patience with our new secretary, Mrs. DuVall. She has a tough job and although she's helped in the office most of the summer, it's very different when you have the awesome responsibility to run the front office.

The Yahoo/Boo Hoo Coffee was a smashing success! Thank you to our Home and School Association for hosting this.

Pictured above are our inquisitive teachers who took a break from our in-service on Monday to view the solar eclipse. What a great lesson for them!

Finally, please be patient with me as I struggle through the recovery of this knee replacement. I have a hard time walking still, and I'm not very patient with myself. I still attend physical therapy three days a week but I'm determined to overcome this temporary disability. I'm beginning to wonder if the new ramp and lift weren't designed specifically for me. :)
